**August 2019**

The Mayor and Mayoress of Runnymede visited the club on Sunday 18th August to try sailing, after being impressed by the club's displays at Englefield Green's Fete and Egham Hythe's Fete in July, where we were trying to recruit new members.

Theo, our youngest sailor home from University for the summer, volunteered to take them out in quite hairy sailing conditions. He did the club proud and the couple said that they thoroughly enjoyed their sail. They even posed for a photograph wearing their Chains of Office, which they said would be good publicity for the club.

They hope to visit the club again when they have less duties to perform.
