Boris Rules UK

As of Wednesday we will be allowed to sit in parks, so why not use the sailing club's lawn and perhaps sailing or canoeing etc. to get your daily exercise, whilst maintaining social distancing ?

Because of social distancing we cannot use the club house or rescue facilities. Should you wish to use a club boat please speak to Phil, our bosun, first, to determine what is available and safe.

Subscriptions

Thank you to those of you who promptly paid and tut-tut to the few who have not. The committee will consider recompense for the lack of sailing facilities when we can reconvene, probably by reducing next year's subscription rates.

If this causes you a problem or have any alternate suggestions please consult a committee member.

(The club has received the Coronavirus grant so is unlikely to get into difficulties due to lack of income from teas, bar, etc.)

Chit Chat

If you want to keep in touch with other members download 'WhatsApp' and give Wayne, our sailing secretary, your mobile number, to add you to SSC group chat. (Free if you have WiFi.)
